

Come usare il Portale Hippocrates

The image shows a screenshot of the Hippocrates Portal homepage. On the left is a vertical navigation menu with the following items: Homepage, The Project, Reports, Training Events, Training Package, Community, Utilities, Links, Contacts, Exploitation, and National Conferences. The main content area features the Hippocrates logo (a blue ring around a red globe) and the text "HIPPOCRATES". Below the logo, the word "Homepage" is written in red. The main text describes the portal's purpose for trainers in the health sector and lists several key sections: Reports, Database, Self-assessment section, Training Package, and Community. A registration notice at the bottom states that full access requires registration. On the right side, there is a "Translation" section with flags for EN, IT, CZ, DE, and LT, and a "Reserved area" with fields for Username and Password, and buttons for "Login" and "Create account". At the bottom right, there is a logo for "PIEMONTE".

Dalla Home Page è possibile accedere a tutti i contenuti principali del Portale (es. Reports, Migliori Pratiche ecc.) semplicemente cliccando sui link.

Alcune Sezioni del Portale (es. Il pacchetto formativo, la Community) sono accessibili solo previa registrazione al Portale

Per registrarsi è necessario cliccare su Create Account nella colonna di sinistra

This Portal has been designed specifically for Trainers who work in the Health Sector who need to "manage their own skills" and respond to the continual evolution of their training needs.

Through the Portal it is possible :

- To better understand Knowledge Management applied in the Health Sector through [Reports](#) analysing the situation in the countries involved (Czech Republic, Germany, Italy and Lithuania) and from a transnational point of view.
- To access a [Database](#) providing interesting information about training initiatives and the application of Knowledge Management method selected in four different European Countries : Italy, Germany, Czech Republic, Lithuania and to a selection of [Best Practices](#) in the field.
- To access the [Self-assessment section](#) that gives to all the trainers the opportunity to assess their own knowledge level measuring it against an "Ideal European Profile" of trainers working in the Health Sector
- To access the complete [Training Package](#) organised in 6 Modules addressed to trainers working in the Health Sector
- To join a [Community](#) of European trainers working in the Health Sector to share knowledge and experiences through a [Forum](#)

To fully access to all the active sections of the Portal (e.g. Training Package, Self assessment, Forum, ecc..) it is necessary to be registered
